GIA Intent to Engage in Research

Please note: The Computer Science Department is committed to encouraging the engagement of students in scholarly research activities. To this end, if you have selected the thesis option, you may receive release time, if available, for this purpose. This form must be completed for each semester that release time is granted.

Student Name: __________________________________________
(Print name)

Thesis Supervisor: __________________________________________
(Print name)

Semester Research will be performed: _________________ (Example: Fall2010, Spr2011)

Are you registered for or intend to register for either CS5399A or CS5399B for the above semester? ____

If the answer to the above question is No, will you be engaged in research related to your thesis? ____

Please BRIEFLY describe what you plan to research/study for the semester:

Student Signature:__________________________________________ Date:_________________

Thesis Supervisor Signature:__________________________________________ Date:_________________

Lab or Other Supervisor Signature: ____________________________ Date:_________________

Amount of Release Time Granted: ____________ hrs/wk
